

Photo/Video Release Form

Dear Parent/Guardian:

Photos and videos of Manor Church Preschool students involved in various preschool related activities may be posted on the Manor Church Preschool Facebook Group page, printed and hung in the hallway and/or used for classroom activities.

Also, your student's teacher will be inviting you to a Shutterfly Share site so that you may view pictures of your student throughout the year. Each Share Site is a private online environment so only invited members have access to a site's pictures and information. The site and its contents will never show up in Google searches. Plus, safe tagging gives parents peace of mind that they'll be alerted when their children are featured. You can download the photos to your own device or create your own preschool album directly from Shutterfly, **but we do ask that you not share any photos to your social media accounts that have your child's classmates in them.**

Please sign and return the form below granting or denying permission for photo/video reproduction by Manor Church Preschool and to add pictures of your student to the Shutterfly Share site.

If you have any questions, please contact the Director of Preschool Ministries, at 285-3138.
