GREETINGS

Welcome to Manor Church Preschool! We're glad you have chosen to make your child a part of our program. Your child is unique and filled with unlimited possibilities and potential. Our preschool is committed to unlocking those possibilities and to helping your child grow and develop into the very special person he/she can become. Through the goals we have set, we are confident that those promises within each child will become realities as each one grows and develops throughout the year.

GOALS

The Preschool program will work within the spirit and attitude of the Christian faith. We will strive to meet the child's individual needs as well as group needs through a variety of experiences introducing the preschooler to question, experiment and explore at their own pace.

We will try to instill in the children values of love, compassion, trust and understanding, and a solid belief in God.

We will help the preschooler to live peaceably with other children and to value the rights and feelings of others, as well as one's own rights.

We hope to be able to teach each child to be at ease away from home, to accept direction from adults, and to finish given tasks.

We will strive to contribute positively to your child's total development. We will give a variety of opportunities to develop gross motor skills as well as fine motor and cognitive skills.

ARRIVAL AND DEPARTURE

Morning Classes are 9:00-11:30am

Extended Classes are 9:00am-1:00pm

Full day Classes are 9:00-3:00pm.

Drop off will begin at 8:50am.

Please pull up so that three cars can fit under the breezeway. An assistant teacher will arrive to get your child out of the car. Parents are responsible for unbuckling their child and helping them out of the car.

Pick up will begin at 11:30am | 1:00pm | 3:00pm

*Families will be coming into the building for pickup. After entering the church lobby, proceed to the preschool entrance where you will be checked in with your security code, and be allowed access into the preschool wing. This is where you will present the security card to your child's teacher, and they will be dismissed. Families will dismiss through the designated doors only. For the safety of the students and staff **you will need your security card each day.***

If someone arrives without the security card, and they are not listed on the pickup list, we will not release the child to the adult until we verify with the parent.

Every family will receive 2 cards at meet the teacher night, one for themselves, and 1 for those listed on the emergency pickup list. More can be made if necessary.

SCHOOL CALENDAR

Throughout the year we try to follow Penn Manor School District's calendar in general. However, we do not follow Penn Manor's schedule exclusively because we serve other districts as well. Be sure to keep our calendar nearby.

LUNCHBOX CLUB

Lunchbox Club is an opportunity for your child, in Toddlers, Early Learners, 3's, 4's, and PreK, to stay after school with their friends! Your child will bring a packed lunch from home that they will enjoy with their classmates and then participate in guided activities.

Lunchbox Club days are held weekly, Monday - Friday, starting in October from 11:30-1:00. In the case of a 1.5 hour delay or preschool closing, there will be no Lunchbox Club held that day. You will receive a credit to use the following month. We need a minimum of 5 students per day to run this program. **All other absences are non-refundable.**

Each month you will receive a sign-up form. You may choose any number of days you wish your child to attend. The cost is \$10 per day per child which is due when you return your sign-up form. Cash or checks made payable to Manor Church Preschool are acceptable.

Please return forms to your child's teacher no later than the due date listed. For planning purposes, we cannot accept forms after that date.

**We are not able to monitor lunches for allergens. Sorry for any inconvenience this may cause.*

IMPORTANT REQUESTS

1. An extra set of clothing should be kept in your child's backpack in case of accidents (examples: spilled paint, etc.) Place these items in a plastic bag, clearly labeled.
2. We ask that your child does not bring toys, food, dolls, gum, jewelry (not worn) or action figures to school. These items are best left at home. We cannot be responsible for what may happen to them.
3. A snack will be provided each day by the preschool. **We are no longer allowing outside items to be brought into the preschool for birthday or for holiday parties.** Please inform us of any allergies to food or drink for your child. **This is extremely important!**

4. The Preschool doors will be locked while preschool is in session. If you need to pick up your student early, you can send a note with the time you plan to arrive and we will have your student ready. Enter the preschool wing and press the doorbell to the right of the brown double doors. Then, we will bring your child out to you. You can also call the church office if it is a last minute change in plans.

5. **Please be prompt in the arrival and departure of your child. Late pick-up fees will be charged for chronic late pick-ups. \$30.00 will be added to your balance due after your 5th late pick-up.**

6. Please inform us as soon as you know of any change of address, telephone, cell phone or emergency contact. For the sake of your child, we request that your child's teacher be informed if there are changes in your family that may affect your child's school life. Let us know of serious illness, unemployment, separation, divorce, etc., so we can help your child emotionally during the experience. All information is kept confidential.

7. Feel Free to post pictures of your child on social media from our Shutterfly Account, but please be mindful to not include photos of other students.

HEALTH AND COMMUNICABLE DISEASE RECOMMENDATIONS

Children **cannot** attend school if they have any of the following: fever, diarrhea, vomiting, a contagious disease or contagious condition (*lice; hand, foot, mouth; scabies; pinworms; conjunctivitis; impetigo; etc.*) **Please do not bring your child back to preschool until they are symptom-free without fever reducing medication, or have been given proper treatment. Students must be fever free for 24 hours prior to their return.**

If a child is sick at school with any of the above symptoms or is contagious, his/her parents or the emergency person listed on their application will be called to pick him/her up immediately. **Please call the church office when your child will not be attending and clarify his/her illness, particularly if contagious, so the school may initiate appropriate measures.**

3. [The Pennsylvania Department of Health](#) has established guidelines for exclusion from school for contagious diseases. Please contact your pediatrician for an acceptable timeline to return to preschool.

COVID

Symptoms

If your child has any of the following symptoms, that indicates a possible illness that may decrease the student's ability to learn and also put them at risk for spreading illness to others. Please check your child for these symptoms:

- Temperature 100.4 degrees Fahrenheit or higher when taken by mouth
- Sore throat
- New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache, especially with a fever

Close Contact/Potential Exposure

- Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person with confirmed COVID-19 or under quarantine for possible exposure to SARS-CoV-2
- Traveled to or lived in an area where the local, Tribal, territorial, or state health department is reporting large numbers of COVID-19 cases as described in the Community Mitigation Framework

Return-to-School Policies

If the student/parent/caregiver answers YES to any question in Section 1 but NO to any questions in Section 2, the student would be excused from school until symptom-free for 24 hours without fever reducing medications.

If the student/parent/caregiver answers YES to any question in Section 1 and YES to any question in Section 2, the student should be referred for evaluation by their healthcare provider and possible testing.

Students or Staff diagnosed with COVID-19 or who answer YES to any question in Section 1 and YES to any question in Section 2 without negative test results should stay home, isolate themselves from others, monitor their health, and follow directions from their state or local health department.

Students and their families should be advised that the local health department may contact the family for contact tracing. If contacted, families should notify the contract tracer that the student attended Manor Church Preschool.

Students diagnosed with COVID-19 or who answer YES to any component of Section 1 AND YES to any component of Section 2 without negative test results should be permitted to return to school should be in line with current CDC recommendations in "When Can I Be Around Others". Questions regarding return to school should be jointly decided in consultation with parents or caregivers, school personnel, and the student's healthcare provider.

Positive Test Result

If your child tests positive for COVID-19, they may return to school 5 days after the start of their symptoms, as long as their symptoms have resolved without medication.

Exposure

If your child was exposed to someone with COVID-19, they may return to school 5 days after their last exposure, as long as they remain symptom free.

DISCIPLINE

Manor Preschool employees encourage acceptable behavior by giving positive verbal rewards. This reinforces good feelings and a healthy self-esteem within the child. It also serves as an example to other children to act in such a way as to receive this praise.

Discipline is training that teaches one to obey rules and control one's behavior. Discipline is an ongoing process with children and for maximum learning to occur, immediate and consistent reinforcement is important. At Manor Church Preschool we encourage self-control and responsibility for ones' own actions. Respect for each other, self, peers, and authority is taught with love and consistency. However, there are occasions when a student creates a situation in the preschool which infringes upon the rights of the other children and/ or the teacher. The child needs to know that you, as parents, support us as the authority while the child is in our care. Several examples of behavior that will not be tolerated at our school are:

1. Fighting or touching others in inappropriate ways.
2. Profanity and name calling
3. Destructive acts against the school property
4. Creating an unsafe environment for staff and peers
5. Deliberate disobedience
6. Continued disruption
7. Harming other children or staff

The teacher will use disciplinary techniques for misbehavior that she has incorporated within her individual classroom. Some examples are: redirection, better choices, elevation of warnings, withdrawing the child from the group or activity (time-out which will be limited to no more than one minute per year of the child's age). Acceptable methods of discipline should encourage self-esteem, self-control and self-direction, using praise and encouragement of positive behavior rather than focusing on the negative or unacceptable behavior. If misbehaving persists, the child will be taken to the Director's office. If the misbehavior continues to occur a parent/teacher conference will be called to discuss alternative methods of solving the problem. If there is no resolution to the issue or problem, the school will be forced to remove the child via suspension or permanent expulsion from the program.

BATHROOM POLICY

It is the policy of Manor Preschool that children in an age 3 and older class should be toilet trained before beginning preschool unless a child has a disability. If a child has a disability or medical condition that conflicts with this policy, please see the Director. Children should be able to use the toilet without the assistance of a staff member. They should be able to pull down and pull up their pants/skirts and underwear themselves.

We as a Preschool want to love and support our students during this period of development and understand that accidents happen. However, continuous accidents are a major disruption to the classroom. Chronic accidents will result in a formal warning, and continued accidents will result in a two week grace period where the child will remain at home to work on the mastery of this skill. If mastery is unsuccessful, your child may not be able to return at the present time.

The following guidelines are followed by all staff at Manor Preschool:

1. A teacher or assistant teacher will not accompany a child into a bathroom with the door closed. If it becomes necessary for a staff member to assist a child while in the bathroom, the door will be propped open.
2. Only females will escort/assist children in the bathrooms.
3. No minors (age 17 and under) shall assist children in the bathrooms.

SPECIAL NEEDS POLICY

Manor Preschool will make every effort to meet the needs of your child physically, emotionally, intellectually, and socially within our abilities based on our staffing, ratio, and facility resources. We value an inclusive environment that respects the distinctive qualities of others and individual aspect of themselves. We will work with families in making necessary accommodations for your child as long as we can maintain a safe and successful space for all students. We look forward to working with you at every stage of your child's development to ensure a warm, secure environment for your child to grow and learn.

EXCENTIA

Excentia Preschool is holding a reverse mainstream class within the walls of Manor Church Preschool. They invite our students to join them in the adventure of an inclusive classroom. This is a great opportunity to include learners of all ability levels and teach students empathy, acceptance and a recognition that we are all more alike than different.

We especially like to use multi-sensory experiences during learning activities which allow each child to touch, smell, hear, see, move and sometimes even provide tastes of items/materials during specific activities. We use a theme-based curriculum in order to build vocabulary skills important for literacy learning, social skills and building concept knowledge. Our vision is to create a community where all children have equal opportunity and equal value. We are very blessed to work closely with the staff of Excentia, at our preschool. We believe that this program benefits all children.

If you have questions about enrolling in this program, please feel free to contact us.
